

**HARGITAY.**

**The European Communications & Research  
Think Tank**

HARGITAY is a highly personalized communications and advisory group which extends its services to high net-worth individual clients and corporations that operate in the fields of international finance, internet services, publishing and pharmaceuticals manufacturing.

The Senior Advisers have a minimum of 20 years of experience in management consulting at the most senior corporate levels and are experts in Crisis Communications, Government Relations and Economic Intelligence Gathering.

Teams of expert advisers operate out of Berlin, Germany; Budapest, Hungary; Zurich, Switzerland and London, United Kingdom.

Relevant top level references can be made available to suitable potential clients.

HARGITAY. Think Tank Team Members are Senior Government Experts, Senior Corporate Communications Consultants with proven track records, International Publishing Professionals with particular expertise in the New Democracies of Central Europe and Senior Banking and Finance Experts in Switzerland as well as Crisis Management Experts in key European locations.

HARGITAY are uninterested in standard communications assignments and only accept assignments from Governments, Corporate Leaders and Independent Entrepreneurs of substance.

A detailed outline of services rendered and the presentation of track- and performance records is made available in private meetings only. Initial meetings are preferably held in Zurich, Switzerland.

HARGITAY employ a powerful International Team which includes some of Europe's best Investigative Researchers. In close co-operation with a Specialist Production Group, they deliver sensitive investigative data to existing clients.
