Dear Mrs Anne Dot Eggers Nielsen,

I acknowledge receipt of your Internet message, dated 17 June 2008.

I can only repeat the explanation given in my previous letter dated 7 May 2008, namely that the IOC Ethics Commission has no jurisdiction because there is no documented complaint against the personal activity of an IOC member and that the facts took place during an event organised by an IF which has the jurisdiction to deal with them.

Yours sincerely,

Pâquerette Girard Zappelli
Secretary of the Ethics Commission
